

# CONSTRUCTION DELIVERY DRIVER

Hausmann Construction has steadily matured into one of the region's premier commercial general contracting, construction management, and design-build firms. Our team is looking for people interested in experiencing all facets of an active construction site as a full-time construction delivery driver.

This position will assist in the operation of various construction vehicles to help deliver equipment and materials to construction sites. Other tasks include: securing loads, loading and unloading vehicles and helping to maintain construction schedules, while maintaining the highest level of safety and DOT standards. The ability to work productively with others, maintain open lines of communication and demonstrate problem-solving skills, along with a valid Commercial Drivers License, or those who are working toward a CDL, are all attributes we seek from successful applicants.

An exciting opportunity with Hausmann Construction awaits the right candidate. This is a busy, high-volume and friendly environment that will suit a hardworking person with the desire to grow in a company with an award-winning culture. Benefits include a competitive salary, energetic work environment and opportunities for advancement.
